

INFORMED LEADERSHIP SERVICES
LEADING ACROSS GENERATIONS

 **MONARCH**
GROUP

Monarch Group helps teams communicate and lead across generations and diverse backgrounds. We give leaders practical tools to reduce misunderstandings, build trust, strengthen culture, and keep great employees.

GENERATIONS LEADERSHIP WORKSHOP FOR LEADERS

A fast paced, high impact virtual workshop that teaches leaders how to communicate, motivate, and engage across all four generations.

Participants learn what each generation needs, how to avoid common leadership mistakes, and how to build trust across age groups. This session gives leaders tools they can use the same day.

1 hour virtual training

CORPORATE TRAINING SERIES: LEADING A MULTIGENERATIONAL WORKFORCE

A customizable multi session training program that helps leaders improve communication, reduce conflict, and work better with staff of all ages.

Leaders learn real scenarios, practical skills, and tools that make team culture stronger and more effective.

6 one hour virtual training sessions

MULTIGENERATIONAL WORKPLACE ASSESSMENT

A full workplace culture assessment that identifies communication gaps, leadership strengths, retention risks, and generational friction points.

Your leadership team receives a clear plan with recommendations to strengthen culture, improve connection, and support staff across all four generations.

Delivered virtually with a written report
